

Employee Handbook & HR Policy Guidelines 2024

1. Company Overview

Welcome to Meridian Technologies. This handbook outlines the policies, procedures, and expectations that govern employment at our organisation. All employees are required to read and acknowledge the contents of this document upon commencement of their employment with the company.

2. Code of Conduct

All employees are expected to maintain the highest standards of professional conduct. This includes treating colleagues, clients, and partners with respect, maintaining confidentiality of proprietary information, and adhering to all applicable laws and regulations governing our industry and sector at all times.

3. Data Handling Policy

Employee personal data is stored securely in accordance with UK GDPR requirements. Access to the employee database is restricted to authorised HR personnel and senior management only. Any unauthorised access or disclosure of employee data is a serious disciplinary offence and may result in immediate termination of employment without notice or compensation.

4. Leave and Absence

Full-time employees are entitled to 28 days of annual leave inclusive of public holidays. Leave requests must be submitted via the HR portal with a minimum of two weeks notice. Sick leave beyond three consecutive days requires a medical certificate from a registered practitioner to be submitted to HR.

5. Performance Review

Annual performance reviews are conducted every December. Employees are assessed against agreed objectives, core competencies, and behavioural standards. Performance ratings directly influence salary adjustments and bonus eligibility for the following financial year across all departments and seniority levels.
